

ACME CORPORATION

Benefits Eligibility Policy

Document ID: POL-ELIG-2027 | Version: 2.1 | Effective: January 1, 2027

1. Purpose

This policy defines the eligibility criteria for participation in Acme Corporation sponsored benefit plans. All employees and benefit administrators must follow this policy when determining benefit eligibility.

2. Employee Eligibility -- Medical

An employee is eligible for Medical benefits if ALL of the following conditions are met:

- Employment Status = Active
- Employment Type = Full-time (not part-time, contractor, or temporary)
- Scheduled hours per week >= 30
- Tenure from Hire Date >= 30 days

Waiting Period: Coverage begins on the first day of the month following the 30-day waiting period.

(INTENTIONAL CONFLICT FOR AI DEMO)

Exception: For employees hired on the first day of a month, coverage begins on the first day of the following month, which may result in a waiting period of less than 30 days.

Note: This conflicts with the general 30-day rule. AI should identify this ambiguity.

3. Employee Eligibility -- Dental and Vision

An employee is eligible for Dental and Vision benefits if ALL of the following are met:

- Employment Status = Active
- Scheduled hours per week >= 20
- Tenure from Hire Date >= 30 days

Part-time employees working 20-29 hours per week are eligible for Dental and Vision but are NOT eligible for Medical, Life, or Disability benefits.

4. Dependent Eligibility Rules

Dependent Type	Eligibility Rule	Age Cutoff
Legal Spouse	Valid marriage certificate required	N/A
Domestic Partner	Affidavit required; imputed income appli	N/A
Natural Child	Birth certificate required	End of month age 26

Stepchild	Marriage certificate + birth certificate	End of month age 26
Adopted Child	Adoption decree required	End of month age 26
Disabled Dependent	Physician certification; annual review	No cutoff

5. Waiting Period Details

Rule A: Coverage begins after 30 days of employment.

Rule B: Coverage begins on the first day of the month following 30 days of employment.

(AI DEMO: Rules A and B are intentionally in conflict. Rule A implies day 31. Rule B implies first of following month, which could be day 31 to day 61. AI should identify this conflict and ask for clarification.)

6. Employment Status Definitions

Status	Medical	Dental/Vision	Life/Disability
Active Full-time (≥ 30 hrs)	Eligible	Eligible	Eligible
Active Part-time (20-29 hrs)	Not Eligible	Eligible	Not Eligible
Active Part-time (< 20 hrs)	Not Eligible	Not Eligible	Not Eligible
On Approved Leave (FMLA)	Eligible	Eligible	Eligible
On Unpaid Leave	COBRA continuation	COBRA continuation	Terminated
Terminated / Inactive	COBRA	COBRA	Terminated

7. New Hire Enrollment Window

New employees must enroll within 30 days of their hire date. Failure to enroll within this window results in automatic enrollment in the default plan.

(AI DEMO: This reinforces the ambiguity about the default plan from the Benefits Guide. AI should link these two requirements and ask: What is the default medical plan?)

8. Life Event Enrollment Windows

Life Event	Window	Documentation Required
Marriage	30 days from event date	Marriage certificate
Divorce	30 days from decree date	Divorce decree
Birth of Child	30 days from birth date	Birth certificate
Adoption	30 days from placement	Adoption decree/placement order
Loss of Other Coverage	30 days from loss date	Carrier termination letter
Death of Dependent	30 days from death date	Death certificate

Changes made outside the enrollment window will not be accepted until the next open enrollment period, except in cases of special enrollment rights under HIPAA.
